# AN UPDATE FROM PASTOR JOSÉ

Last newsletter we featured the Brazilian pastor José Aristides dos Santo Filho who is actively involved in providing biblical education for Portuguese-speaking Christians. He recently travelled to Portugal, Gambia, and Guinea-Bissau to teach and encourage the local Christians and to participate in the ordination of four

Gambian pastors. He sent us several pictures and a report of his time there. “I wish I had two lives to devote myself to God’s Kingdom,” José told us in an email. “The demands in Africa are great and there are few workers.” As you look through his pictures, please pray for José as he continues to work tirelessly for God’s Kingdom.

STUDYING 1 TIMOTHY

# FROM THE FIELD

I am a Filipino Youth Worker of a parachurch organization in the Philippines, and I serve as a deacon in our local church. Today I just printed two materials: Lesson 1 of *He Gave Us Scripture* and that of *Kingdom & Covenant of the New Testament*. I am excited to start using and sharing [these lessons] with others. Thank you for providing these materials for free. God bless Third Millennium Ministries.

# DISTRIBUTION UPDATE

Dr. Mikhail Morgulis, the President of The Spiritual Diplomacy Foundation, recently sent us some encouraging feedback on the use of our materials in the Russian-speaking world.

*Your materials stand apart from other theological materials in many ways – they demonstrate very high standards of Christian professionalism and an understanding of global tasks of the contemporary church and Christianity in general. The content is presented in an easily understandable, and yet, sophisticated theological format.*

*Over 200 people were directly introduced to your videos. Those who watched them have been duplicating and sending them to their friends and relatives in Russian-speaking countries including Ukraine, Belarus, Central Asia, Argentina, England, and Italy. Through our distribution of your materials, approximately 10,000 people have been reached. We are happy to continue distributing your valuable materials all over the Russian-speaking world.*

# CONSIDER PARTNERING WITH THIRD MILL

In countries where Christians are a minority, Christianity can very easily become corrupted by the predominant religion of the country. Without sound, biblical education, well-intentioned pastors can unknowingly lead their congregations astray. By donating to Third Millennium, you ensure that more pastors in more countries receive the theological materials necessary to lead their communities in accordance with the Word of God. Would you please prayerfully consider partnering with us to provide **Biblical Education. For the World. For Free?** You can return your donation in the enclosed envelope or visit [thirdmill.org/donate](https://thirdmill.org/donate) to donate online. Thank you!
